

NOTICE TO PARENTS OF PRE SCHOOL AND NURSERY

EXCITING NEWS

Miss Bradley will be reading a story on Instagram on Wednesday 1st April at 10am. (This is not an April fool trick!!) This will be live, so please be on time. She will actually wait a few minutes to gather people together so don't worry if you can't see her straight away. We hope this is the beginning of a new venture for BPS and we are all very excited about it.

Of course everyone can watch, but it is mainly aimed at Pre school and Nursery.

We hope the children enjoy it and that it inspires you to talk about the story afterwards and do follow up activities. A pretend journey to the moon would stimulate their imaginations and you could even make up a picnic together. Lovely rockets can be made from a toilet roll middle - just a few of many ideas!

Have fun and keep healthy,
Sandra Whitford
