

UPDATE

As of Thursday 5th March, the situation with regard to the initial instruction from the Ministry of Education still stands. i.e. School will re-open on Wednesday 11th March. We shall inform you through the website if there are any changes.

For those of you who haven't yet seen them, we have posted ideas for activities for the children during this period. Please go to 'Information', 'General Notices' and select your child's year group or class.

I hope the ideas and activities will be useful.

Thank you
Mrs. Whitford
